EUROPE'S BIGGEST TALENT CAMP IN 2024

From April 25 to 28, 2024, the largest talent camp for young mountain bike athletes in Europe took place at AREA47 in Ötztal. The camp was organized and run by Trek Future Racing, which has its training home in Ötztal.

Trek Future Racing is one of the most successful teams in the junior sector and has just returned from the first World Cup in Brazil with 5 podium places.

A total of 40 young athletes from 12 countries were invited to spend four days with our young professionals. In addition to performance tests, the program included various training sessions, including technique training in the new AREA47 indoor cycling arena and lessons on nutrition, training basics and mental strength.

THE APPLICATION

In December 2023, we informed our community members that the next and biggest Talent Camp to date will take place in Ötztal in April. We invited all talents born between 2005 and 2010 to apply for a place at the camp.

THANKS to our partners, who cover the majority of the costs for accommodation, full board, program, coaches, performance tests, training sessions, etc., we were able to give this program to our talents for a small share of the costs.

The participants were selected from more than 200 applications from the Trek Talent Community.

VOTES FROM OUR PARTNERS

mandy.pitscher What an honor to be teaching bicycle tech to the kids and young adults of @trekfuture racing 's Talent Camp one week ago. I am still very moved by the interest and engagement of the participants. Everybody was very hands on, I mean look at the photos by @mediamoni 🙌 #wecandoit #workworkwork

I very much like the team's approach of "if you want to race your bike, you need to know how it works, how to set it up and how to repair it" 🛠️
And most important: there is nothing wrong about not knowing everything. Just deal with it and you'll learn over time - just as I did

area47 Was für ein Start in die #Saison24! 🗨️

Vergangenes Wochenende war schon einiges los. Wir hatten das @trekfuture racing Young Talent Camp in the House! 🙌🙌

So startet man richtig in die Sommersaison!
